## Sierra's Fall Carnival Wrap-Up

Wow is the word that comes to mind when I think about the Fall Carnival. This year we had a unique opportunity to do things a bit different. Because of the huge success of the jog-a-thon, enough money was made from that fundraiser to allow the Carnival to be just a fun event for the school rather than a money maker. The PTC fully supported keeping the games and food costs down so that the Carnival could simply be a social event for our Sierra Families to come and enjoy. Way to go PTC!

So it came as a bit of a surprise, while not intending to really make any money (more like hoping to break even) the Fall Carnival still made almost \$3,000.00 from wrist band and meal ticket sales. The credit here must go to the committee that was made up of talented ladies and one very extremely organized gentleman. My gratitude to all of them for their time and effort to make this event the success that it was. I also need to express my thanks to our teachers for their booth contributions. It would not be much of a carnival without our teachers support.

I also must give a shout out to the many business who were kind enough to give us donations: Safeway on Granite Drive and Sierra College, Nugget Market, Icing on the Cupcake, Cookie Connection, Horton's Pumpkin Farm, Carl's Jr. (Hwy 80 and Sierra College), Trader Joe's and Little J's Jumps for the Bounce Slide.

Thank you Sierra families for your participation in the Fall Carnival!!
